

Laundry

DON'T

- X Do more than 1 laundry load per day.
- X Use chlorine bleach.
- X Take a shower or bath at the same time as doing laundry.

DO

- ✓ Use washing soda or oxygen bleach instead of chlorine bleach.
- ✓ Use phosphate free detergents.
- ✓ Use peroxide stain removers.
- ✓ Wait for laundry load to finish before draining a bath or taking a shower.

*Be aware of how much water is going into the septic system as it cannot handle large volumes of water at one time.

*Using washing soda or oxygen bleach in your laundry will not only whiten and brighten your clothes, but also help to keep the septic system healthy.

Protect Our Environment.
We're enjoying it now.
Let's make sure our future enjoys it too!
